Thank you for your email dated 14th March 2019 and for the documents which followed.

(1) It is felt that the major part of my Clients' representations are detailed in the "Statement of Case and Representations" which was submitted to Allerdale Borough Council on the appropriate form with three additional typed sheets and dated 22 October 2018, and that therefore only a relatively short synopsis may be necessary for presentation at the Hearing.

(2) It would be helpful if you would kindly confirm that the above-mentioned "Statement of Case and Representations" will, at the Hearing:-

(a) Be available for reference to;

(b) Form the basis of the Inspector's consideration of the case; and

(c) A synopsis may be introduced to possibly add clarity and emphasis on certain points.

(3) It is noted that the matter of Settlement Boundaries is scheduled for consideration on Day 1 of the Hearing , and, in view of the fact that my Clients' representations relate in part to a particular Settlement Boundary, it is felt that permission to address this matter and to speak at this Session should be obtained - and is hereby requested.

(4) Also, as a safeguarding measure, it is felt that in regard to Matter 3 ( Housing) (Issue 3b) permission to address this matter and to speak at the Session on the 15th May 2019 (14.00) should be obtained - and is hereby requested.

I thank you in anticipation of your reply and would ask that you copy the same to Mr. Peter Tait (one of my Client Respondents) at [REDACTED].

Yours faithfully,

Matthew Bell MRICS FAAV
