Dear Mr Liddington,

**Allerdale Local Plan (Part One) submission**

I enclose with this letter the Allerdale Local Plan (part one) together with associated core documents which Allerdale Borough Council wishes to submit for Examination.

In the enclosed boxes you will find a set of labelled documents. Attached to this letter there is a list of all the documents enclosed with their unique reference number. A second table is also attached which lists a set of documents which we do not consider to be 'core documents' however should the Inspector wish to have copies of any of these documents it can be easily arranged. All the documents in both tables are available on the Council's website. Electronic copies of the local plan and core documents are also included on the enclosed pen drive.

Kerry Trueman, the Programme Officer has asked that the Inspector be informed that she will be involved with Rotherham's Examination for three weeks starting 21 October. However, she can be contacted on her personal mobile (details of which have been forwarded separately), her Examination mobile 07582 310364 or her email is [kerrytrueman@fsmail.net](mailto:kerrytrueman@fsmail.net) in between hearing sessions.

In response to the comments received during the pre-submission stage the Council has prepared a list of what it believes to be minor and major modifications. This is in the form of two schedules (document reference CD3 and CD4) and an annotated version of the Local Plan (document CD2). The modifications have been subject to Sustainability Appraisal and Habitat Regulation Assessment but have not been formally consulted upon. If the Inspector requires that consultation is carried out on the modifications prior to the hearing session this can be easily arranged.

The Habitat Regulation Assessment has been revised following discussions with Natural England and is submitted with track changes to indicate the changes post pre-submission consultation (document CD6). Natural England's letter dated 3 October 2013 (document CD6a) is in response to the revised Habitat Regulation Assessment.

With regard to the hearing location it is proposed to use the Council Chamber and two smaller rooms in Allerdale House. As these venues are used for other Council business I would be grateful if you could advise as soon as possible the dates of the hearing so these can be booked well in advance.

If you require any further information or clarification I would be grateful if you could contact Julie Ward on 01900 702767 [julie.ward@allerdale.gov.uk](mailto:julie.ward@allerdale.gov.uk)
