In a few weeks we’ll be making changes to your waste collections.

To prepare for this we’re delivering a new box to you today.

What should I do now?

We’ll be writing to you soon to tell you when to start using this box. Please do not use it before this time. Just carry on as normal.

In the meantime, just put your new box somewhere safe.

For more information on the changes go to: www.allerdale.gov.uk/newbins or give us a ring on 0303 123 1702
