In a few weeks we’ll be making changes to your waste collections.

To prepare for this we’re delivering a new blue-lidded bin to you today.

What should I do now?

We’ll be writing to you soon to tell you when to start using this bin. Please do not use it before this time. Just carry on as normal.

In the meantime, just put your new bin somewhere safe. We’ve also delivered stickers to go on the front and top of your small green bin which is currently used for paper and card, ready for when the new service starts.

For more information on the changes go to: www.allerdale.gov.uk/newbins or give us a ring on 0303 123 1702
