

Markets Policy

Version 1.3 October 2013

“Allerdale – a great place to live, work and visit”

Allerdale Borough Council

Markets Policy

1. Introduction

- 1.1 The Borough of Allerdale (“Allerdale”) is located in the north west of Cumbria and covers an area of 1,258 square kilometres. Its population is largely concentrated in the west coast ‘triangle’ of Workington, Maryport and Cockermouth. Keswick, located in the Lake District National Park, is a further key service centre and popular visitor destination. The north of Allerdale is a predominantly rural area with small villages and the three principal market towns of Aspatria, Silloth and Wigton.
- 1.2 Allerdale Borough Council (“the Council”) recognises the important contribution that markets make to the local economy and the character of the area. They remain an important Council service and contribute in a number of ways to the local communities they serve.
- 1.3 The Council's markets (which are described in more detail in Section 4 of this markets policy) represent an important investment by the Council in delivering economic regeneration and town centre vitality.
- 1.4 The Council is committed to maintaining the balance of markets throughout Allerdale and ensuring there is consistency in the way markets are operated. Accordingly, the Council has decided to implement a markets policy which sets out the basis upon which markets are held and the process by which applications for markets shall be considered (“the Markets Policy”).
- 1.5 The Council recognises that there are many different types of market activities and, accordingly, the Markets Policy is intended to cater for each type. In particular, the Markets Policy distinguishes between commercial markets and those that are largely community-based with a strong charitable element. Section 5 of the Markets Policy deals with the different types of market activities and sets out the Council's approach when considering applications in respect of such markets.
- 1.6 During the process of formulating the Markets Policy the Council has consulted the following organisations:
 - Cumbria County Council
 - Town and Parish Councils
 - Cumbria Police
 - National Association of British Market Authorities (NABMA)
 - National Market Traders Federation (NMTF)
 - Organisers of local established events
 - Local business and community groups

2. What is a market?

- 2.1 The Markets Policy is intended to apply to all market events held in Allerdale. Guidance notes are set out below indicating which activities the Council regards as being a 'market'. However, these notes are not intended to cover all potential eventualities and the Council reserves the right to apply additional requirements in appropriate circumstances.
- i. The legal definition of a market is a 'concourse of buyers and sellers'.
 - ii. **A market shall be comprised of not less than five stalls, stands, vehicles (whether moveable or not) or pitches from which articles are sold and normally there shall be a range of different sellers.**
 - iii. A market may be held either outdoors or in a building.
 - iv. There shall be an operator of the market who shall be responsible for the organisation and delivery of the market event.
 - v. A market operator means the person, body or organisation to which a market licence is granted by the Council.
 - vi. Markets include car boot sales, antique and craft markets, general markets, food markets, farmers' markets and charitable markets. However, this list is not exhaustive.
 - vii. A market may sometimes be held as part of a wider event. When this arises the market element (comprising of 5 or more stalls) of the event shall be subject to the Markets Policy. Where a premises licence for a wider event (which includes a market element) has been issued by the Council then a separate market licence may not be required. However, this requirement shall be determined on a case-by-case basis.
- 2.2 The Markets Policy differentiates between markets of a commercial nature and community-based markets which have a strong charitable element.
- i. A **commercial market** is one which is operated for profit and where the traders are engaged in a business activity of selling goods for their own purposes.
 - ii. **Community-based markets** are organised by local communities or organisations with the intention of raising funds for a specific charity or celebrating a special event. The market must be operated on a non-profit making basis and the operator shall, if requested, supply relevant information as proof of this to the Council. While it is recognised and acknowledged that some traders may be selling goods for their own purposes, the Council shall expect there to be a strong charitable element in the way the event is organised.
- 2.3 This Markets Policy does not apply to street trading activities. Street trading is controlled by a different licensing process and relates to the granting of individual trading licences for identified streets.

Further information about street trading activities and licences can be found at <http://www.allerdale.gov.uk/business/licences-and-street-trading.aspx>.

To apply for a street trading licence please contact environmental.health@allerdale.gov.uk or phone 01900 702590.

3. Market Rights

- 3.1 The Council, by virtue of its statutory powers, enjoys market rights throughout Allerdale.
- 3.2 All markets held in Allerdale are licenced and operated in accordance with the provisions of Part III of the Food Act 1984.
- 3.3 The statutory powers afforded to the Council under the provisions of Part III of the Food Act 1984 enable the Council to:
 - a) implement a markets policy within its area;
 - b) operate markets within Allerdale;
 - c) consider applications for other markets; and
 - d) determine whether such markets can be held by way of consent.

4. Council's Markets

- 4.1 The Council's markets are currently operated in accordance with an agreement with Geraud Markets (UK) Limited ("Geraud") dated 27 September 2006 which is scheduled to continue until November 2014.
- 4.2 Accordingly, the following markets are operated by Geraud on behalf of the Council:
 - Keswick Thursday and Saturday
 - Cockermouth First Saturday of the month
 - Silloth Thursday (Easter to October)
 - Wigton Friday
 - Workington Wednesday and Saturday
- 4.3 In addition to the regular Council markets listed above, the Council also operates occasional market events, such as the Spring Fair in Cockermouth.
- 4.4 The Council has the power to establish new markets if it so wishes – as either regular or occasional events. Accordingly, the above list is subject to change and shall be updated as part of a periodic review of the Council's Markets Policy. The Council will operate any new markets under the provisions of Part III of the Food Act 1984.

5. Licensing Private Markets under the Council's Markets Policy

- 5.1 The Council's consent to a market, by the grant of a market licence, must be given prior to the event taking place. Any market that takes place without such a licence

shall be in breach of the Markets Policy and may be subject to the enforcement action described in Section 8 below.

- 5.2 Markets shall only be licensed once an application for a markets licence has been approved (and signed by both the Council and the Market Operator) and the appropriate fee received by the Council.
- 5.3 Market licenses are issued to the market operator identified in the application (“the Market Operator”) and are not transferrable.
- 5.4 The Council shall consider applications in respect of the following categories of market events:
 - i) Commercial markets; and
 - ii) Community-based markets with a strong charitable element.

i) Commercial markets

- 5.5 A commercial market is one which is operated for profit and where the traders are engaged in a business activity of selling goods for their own purposes. The Council shall consider applications in respect of commercial markets having regard to the following matters:
 - a) No market shall be authorised within 6 2/3 miles of an existing licensed market unless it can be demonstrated that the new market shall not undermine the existing market and not prejudice the overall market offer.
 - b) The applicant is required to provide a site plan showing the extent of the proposed market area and proposed layout of stalls.
 - c) The applicant is required to undertake a risk assessment in relation to the proposed operation of the market and make this available for inspection by the Council upon request.
 - d) The applicant must ensure that all other necessary consents and licences have been obtained prior to the market taking place.
 - e) A fee must be paid in respect of any consent given by the Council, which shall be based on both the size of the market and the frequency with which the market is held. The fee must be paid before the market is held. Please refer to Appendix 2 for a list of the current fees.
 - f) In respect of any consent the Market Operator must have adequate insurances in place (including a **minimum of £5 million public liability insurance**) and ensure that all stallholders have their own adequate insurances in place, also including a minimum of £5 million public liability insurance.
 - g) All trading standards guidelines, health and safety requirements and any other relevant legislation must be adhered to.

- h) The Council shall look for the proposed market to complement existing retail activity in the local area and support the Council's objective of helping to create thriving town centres that are attractive and welcoming.
- i) Following outline approval of an application a licensing agreement must be entered into between the Operator and the Council and such licensing agreement must be signed by both the Council and the Operator before the market takes place. The licence agreement will cover the issues set out in this section and all other matters the Council deems to be relevant including the following:
 - i. Waste disposal arrangements
 - ii. Road closures and traffic management
 - iii. Noise and nuisance
 - iv. Health and safety issues
 - v. Power usage
- j) The Council shall insist on any other requirements as are deemed appropriate

5.6 An example of licence agreement is given at Appendix 3.

ii) Community-Based Markets with a Strong Charitable Element

- 5.7 Community-based markets are normally organised by local communities or organisations with the intention of raising funds for a specific charity or celebrating a special event.
- 5.7.1 The Council shall consider applications in respect of community-based markets having regard to the following requirements:
- a) The markets must be operated on a non-profit making basis to assist a charity or community event and the Operator shall supply relevant information to the Council if so requested. While it is acknowledged that some traders shall be selling goods for their own purposes, the Council shall look for the event to have a strong charitable element in the way the event is organised.
 - b) The applicant shall be required to provide a site plan showing the extent of the proposed market area and proposed layout of stalls.
 - c) The applicant shall be required to undertake a risk assessment in relation to the proposed operation of the market and make this available for inspection by the Council upon request.
 - d) The applicant must ensure that all necessary consents (e.g. planning) have been obtained prior to a market taking place.
 - e) Where the market is to be operated on a non-profit making basis to assist a charity or community event then the licence fee may be waived.
 - f) In respect of any consent the Market Operator must have adequate insurances (including a **minimum of £5 million public liability insurance**) and all stallholders

should have a minimum of £5 million public liability insurance cover in place. Where individual stallholders do not have their own public liability insurance cover in place the insurance cover held by the Market Operator should cover the activities of these stallholders.

- g) All trading standards guidelines, health and safety requirements and any other relevant legislation must be adhered to.
- h) Following outline approval of an application a licensing agreement must be entered into between the Operator and the Council and such licensing agreement must be signed by both the Council and the Operator before the market takes place. The licence agreement will cover the issues set out in this section and all other matters the Council deems to be relevant including the following:
 - i. Waste disposal arrangements
 - ii. Road closures and traffic management
 - iii. Noise and nuisance
 - iv. Health and safety issues
 - v. Power usage
- i) The Council will insist on any other requirements as are deemed appropriate.

iii) Process for determining market licence applications

- 5.9 An electronic version of the Council's Markets Policy, together with the relevant market licence application form, can be viewed and downloaded from www.allerdale.gov.uk/business/markets-in-allerdale.aspx. A market licence application form can be found at Appendix 1. An example market licence agreement can be found at Appendix 3.
- 5.10 The Council will endeavour to deal with applications for a markets licence within a period of twenty working days from receipt of the application. Applicants are urged to submit an application as early as possible to ensure that the Council has adequate time to consider the relevant matters in an appropriate way. In considering the application the Council will require sufficient information to deal with all the issues set out in the criteria listed above and also covered on the application form. Failure to provide such information is likely to lead to a delay in the Council coming to a decision.

- 5.11 The authority to grant a market licence is held by the Chief Executive Officer with this power being delegated under the Council's constitution and scheme of delegation.
- 5.12 All decisions to grant market licenses are made at the discretion of Allerdale Borough Council.

iv) Appeal process

- 5.13 If the Council decides to refuse an application for a market licence it will contact the applicant and set out the reasons for its decision.
- 5.14 There is no statutory right of appeal against refusal to issue a market licence, however, you may appeal against the decision.
- 5.15 Any appeal against a decision to refuse a market licence must be made in writing to the Council, setting out the reasons the applicant believes the refusal is unwarranted.
- 5.16 On receipt of an appeal request the decision to refuse the market will be reviewed and the applicant informed of the outcome.

v) Renewing a market licence

- 5.17 Market Operators should re-submit their application every 12 months if they wish to

continue to operate a regular market. This must be done at least one month before their current market licence expires.
- 5.18 The Council will not send out reminders for renewals. It is up to the operator to renew their application on time.
- 5.19 Lapsed market licences will be dealt with as new applications.

6. Market Licence Fees

- 6.1 A licence fee is payable once an application for a market licence has received in principle approval from the Council. A licence agreement will not be drawn-up by the Council until the appropriate fee has been received.
- 6.2 The licence fee will be dependent on the type of market being held:
 - i) Commercial Markets - The licence fee for commercial markets will be based on the size of the market and the frequency of the market. Please see Appendix 2 for the current list of fees

ii) Community-based Markets - Where the market is to be operated on a non-profit making basis to assist a charity or community event then the licence fee may be waived.

6.3. All fees are payable to Allerdale Borough Council.

7. Other Approvals

- 7.1 It is important to emphasise that any approval given by the Council in accordance with this Market Policy shall not remove the requirement for any other relevant approvals, consents and licences to be obtained by the Market Operator.
- 7.2 Where the market is being held on private land the Market Operator must ensure that the prior approval of the relevant landowner is obtained.
- 7.3 The Market Operator shall be responsible for any temporary road closures and associated traffic management arrangements that may be required in order to facilitate the operation of the market. While both Cumbria County Council and Allerdale Borough Council have legal powers to temporarily close roads and divert traffic in order to facilitate various types of event, applications for temporary road closures in relation to markets should, in the first instance, be addressed to Cumbria County Council (see www.cumbria.gov.uk for more information).
- 7.4 The Market Operator should consult with the Council's Planning Department to ascertain whether planning consent is needed for the market to operate. Any market held in the same location for 14 or more days in a calendar year will require planning consent. Contact: planning.section@allerdale.gov.uk / 01900 702740
- 7.5 Attention is also drawn to the provisions of the Licensing Act 2003 in respect of any entertainment provided at the market or where a Temporary Events Notice might be required in respect of the sale of hot food or alcohol. Contact: licensing@allerdale.gov.uk / 01900 702720
- 7.6 The Council may require evidence of these approvals being obtained prior to the granting of a market licence

8. Enforcement

- 8.1 The Council will monitor the application of its Markets Policy and any market event which is operated after the date of the adoption of this Markets Policy will be subject to the Council's requirements.
- 8.2 Any market which is not approved by the Council under Section 5 of its Markets Policy will be subject to legal action and the Council may seek an appropriate remedy in the courts to prevent the market being held and/or damages as appropriate.
- 8.3 Any market operator acting in contravention of any market licence granted by the Council will run the risk of the licence being terminated by the Council with

immediate effect on such terms as the Council determines and, in such circumstances, the Council reserves the right to refuse any future applications for market licences submitted by the operator concerned or any person or organisation associated with the operator.

- 8.4 Any costs of, or associated with, enforcement action deemed necessary as a result of the Market Operator's failure to comply with the Market Policy will be recovered from the Market Operator.

9. Review

- 9.1 We will review this policy as necessary. We will continue to evaluate the policy and may update it at any time.

Appendix 1: Application for a Market Licence

Allerdale Borough Council

Please read this information prior to completing the form below

Allerdale Borough Council (the Council), by virtue of its statutory powers, enjoys market rights throughout the Borough of Allerdale and is in a position to license market events within the Borough. The Council has adopted a Markets Policy which sets out the process via which the granting of licences to hold markets within the Borough will be made and the criteria against which applications will be assessed. The current Markets Policy is available to view at www.allerdale.gov.uk/business/markets-in-allerdale.aspx or a hard copy available on request from the Economic Growth Team (01900 702790). Please make sure that you have read the current Markets Policy and fully understand the Council's requirements in relation to markets before you submit an application.

A market is defined as being comprised of not less than five stalls, stands, vehicles, whether moveable or not or pitches from which articles are sold and normally there will be a range of different sellers. Car boot sales, antique and craft markets, general markets, food markets, farmers' markets, charitable markets and markets held as part of a bigger event all fall within the remit of the Markets Policy adopted by the Council. If you wish to operate a market within Allerdale it will be necessary to obtain a markets licence from the Council. To enable the Council to assess your application you must fully complete the application form below and provide any supplementary information and documentation that is required.

The Council operates a number of markets within Allerdale under the provisions of Part III of the Food Act 1984. Under the terms of the Council's current Markets Policy no new commercial market will be authorised within 6^{2/3} miles of an existing licensed market unless it can be demonstrated that the new market will not undermine the existing market and not prejudice the Council's overall market offer.

You must submit the application form, together with all relevant supporting information, at least 20 working days in advance of the proposed market. You must not hold a market until you have confirmation that your application has been approved, a markets licence has been drawn-up and signed by both the Council and the operator and the fee required in respect of the markets licence has been received by the Council.

It is important that in addition to obtaining a markets licence you also secure any other relevant approvals / consents in respect of the holding of the market. This may include planning approval or other statutory operational requirements such as a licence to sell alcohol. It is also important that you have the approval of the owner of the land on which it is proposed to hold the market.
