Dear Sir,

Allerdale Local Plan (Part 2) submission

I enclose with this letter a memory stick containing the Allerdale Local Plan (part 2), Policies Map together with associated core documents which Allerdale Borough Council wishes to submit for examination. A paper copy of the Local Plan and Policies Map has also been provided.

A full examination library index, listing all the documents with their unique reference number, has been included. The documents which we do not consider to be 'core documents' have been highlighted in the index and have not been included on the memory stick. However, should the Inspector wish to have copies of any of these documents this can be easily arranged as well as paper copies of any document in the library. The complete examination library is available on the Council's website at www.allerdale.gov.uk/siteallocations

Kerry Trueman, has been appointed as the Council's Programme Officer. Her contact details are kerry.trueman@allerdale.gov.uk and 07582310364.

It is estimated that the hearing part of the examination would take approximately two weeks and the Council does not have a preferred date in mind for the opening of the hearings.

In response to the comments received during the pre-submission stage the Council has prepared a list of what it believes to be minor and major modifications. This is in the form of three schedules, which includes proposed changes to the Policies Map (document reference CD16, CD17 and CD18) and an annotated version of the Local Plan (document CD2). The modifications

have not been subject to consultation but represent the Council's position in terms of responding to representations.

If you require any further information or clarification at this stage please do not hesitate to contact me.
