Dear Site Allocations Team,

Broughton Parish Council considered this consultation at their meeting held earlier this week, and they have no objection to the proposed modification for Broughton Parish MapMod11 however the Parish Council have a query:

Why has the settlement boundary been revised to include the two new houses on the Coldgill Avenue, (Derwent View & Rigg Top) but they have not been revised as far as the Parish Council can establish to include the recently approved developments on Moor Road?

As the settlement boundaries don't appear to have been revised to include these properties, does this mean that those properties (2/2016/0469, HOU/2019/0141 & HOU/2019/0142, HOU/2019/0010) set precedent for other development outside of the settlement boundaries?

Kind regards

Becx Carter
