

Allerdale Local Plan (part 2)

Main Modifications Consultation September 2019 Habitats Regulations Assessments (HRA) and Sustainability Appraisal (SA)

Representation Form

Comments on the HRA and SA must be made in writing, using the representations form, and sent either by email or post to:

By post: Planning Policy, Allerdale Borough Council, Allerdale House, Workington, Cumbria, CA14 3YJ.

By email: siteallocations@allerdale.gov.uk

Telephone: 01900 702790

Please return no later than 4pm Friday 1 November 2019

As part of the Main Modifications Consultation, the Council has also published an addendum to the Sustainability Appraisal and an updated Habitats Regulations Assessment. Comments on these documents are welcomed using this form. All representations will be forwarded to the Inspector who will consider them prior to issuing his report on the Plan. By submitting this form you are consenting to your personal information and representations being stored and used for this purpose. All representations will be published with personal details such as email address and telephone number being removed.

Further guidance is available online at www.allerdale.gov.uk/siteallocations, or by contacting the Planning Policy Team.

Guide to making comments on the Habitats Regulations (HRA) and Sustainability Appraisal (SA) addendum documents

1. To which document does this representation relate?

It is important that you indicate which document you are commenting on

2. Do you broadly agree with the assessments and/or conclusions made within the document?

Please indicate whether you agree or disagree with the assessments and/or conclusions made in the document.

3. To which part of the document does this representation relate?

If you disagree with any part of the contents of the document, please specify the particular part here.

4. Do you think there are any potential impacts that have not been identified?

Please indicate whether you think any potential impacts have been omitted from the assessment.

5. What are the impacts that have not been identified?

If you do not consider all of the impacts have been considered, please describe/specify the impacts which you feel have not been raised.

6. Do you agree with the potential mitigation measures proposed?

Please indicate whether you agree with the measures detailed in the assessment that would mitigate potential impacts.

7. What are the measures required to mitigate this impact?

If you do agree with the mitigation measures specified, please describe/specify those which you feel should have been considered.

8. Do you have any general comments on the content and/or assessments within the documents?

Please use this box for any general comments. If you think the document covers all the important issues and constitutes a robust assessment then please indicate so here. You may also use this box to sum up any comments raised in questions 4-7.
